RADIO STATION WCSR

c/o SMITH COLLEGE

NORTHAMPTON, MASS.

Dear Sir:

It gives me a great pleasure to report reception of your radio station WCSR on 600 kcs. on SEPT., 30, 1949 from 8:47 P.M. E.S.T. to 10:00 P.M. E.S.T. At that time your station was transmitting a REGULAR SCHEADULED broadcast.

The reception of your station was as follows:

Signal VERY GOOD Readability EXCELLENT Interference LIGHT
Fading NONE NOTICED . Remarks FOR THE POWER YOUR STATION
USES IT'S AMAZING HOW WELL YOUR STATION WAS RE-
CEIVED HERE IN EASTHAMPTON.

The receiver I use is a Hallicrafters SX-42 and the antenna I use is a "AMPHENOL ALL WAVE."

Enclosed with this report you will find some items which were noted by me during your transmission. I will appreciate it very much if you will check them with your station log and if both are the same send me a verification for my report of your stations reception.

Thanking you for your trouble and I hope this report will be of some use to your station and you will verify same. I remain,

Sincerely yours,

Frank J. Lendzionek
